Commissioner for Patents:

In accordance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98, Applicants wish to make known to the U.S. Patent and Trademark Office the references set forth on the attached form PTO-1449 (copies and/or cover pages of the cited references are enclosed). As to any reference supplied, Applicants do not admit that it is "prior art" under 35 U.S.C. §§ 102 or 103, and specifically reserve the right to traverse or antedate any such reference, as by a showing under 37 C.F.R. § 1.131 or other method. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with Applicants' duty to disclose all information that they are aware of which is believed relevant to the examination of the above-identified application, Applicants believe that their invention is patentable.

Due to the prohibitive amount of paper, Applicants note that only cover pages to U.S. Patents and Published U.S. Applications have been provided at this time. If the Examiner so wishes, full copies will be provided.

Please acknowledge receipt of this Information Disclosure Statement and kindly make the cited references of record in the above-identified application.
